

February 2010

New to Zest, there's a Small Plates Menu that will change every day. Click on the link on the home page to see what's new *today*.

Tony Antonucci will be here on both Friday Feb 5th and Feb 19th. He's Kansas City's favorite crooner singing your favorites from Sinatra, Dean, Neal and many more. We're always booked when Tony's here so make your reservations early.

February is love month and we're celebrating Valentine's Day in style. Chef Linda has created a special Lover's Menu that will be good that entire weekend, Friday, Saturday and Valentine's day, Sunday. This is definitely an early reservation necessity. And don't worry, we'll have plenty of two top tables for all you lovers. Go to our home page and check out the menu.

Here's another new offering from Zest, beginning Sunday, Feb 21st we'll be offering a separate, limited Sunday lunch menu. Right now we only offer our dinner menu all day on Sunday but we've heard from so many of our Sunday guests that they'd like some lunch items to be available, soooooo viola, we listened and now you can get some of your favorite lunch items on Sunday too.

And finally, just a reminder that we'll be closed on Sunday Feb 7th, Superbowl Sunday. So put your feet up, stuff yourself with chips and then come into Zest on Monday for some really good food.
